

Accelerator

Ibuprofen 25, 38, 50, 70

Product information

Application: Active pharmaceutical ingredient (API)
Customer Industry: Pharma
Market: Global

Sustainability performance

- Production method is highly eco-efficient:
 - Fewer production steps (4 vs. 6-7)
 - Chromate-free process
 - Embodies 6 Principles of Green Chemistry
 - Use of renewable electricity at production site

Benefits

- Reduced CO₂ emissions
- Resource efficiency
