

Accelerator Kollicream® Products

Product information

Application: Formulation of pharmaceutical products

Customer Industry: Pharma

Market: Global

Sustainability performance

- Sustainably sourced palm kernel oil:
100% Mass-Balance RSPO certification
RSPO criteria include: no deforestation, new planting on peatlands
- RSPO-certified material shown to have 35% less greenhouse gas emissions than conventionally sourced material¹

Benefits

- Enables conservation of biodiversity
- Reduced emissions
