

Accelerator

Omega-3 oils – e.g. Maxomega™, PronovaPure®

Product information

Application: Dietary supplements, pharmaceutical products

Customer Industry: Human Nutrition, Pharma

Market: Global

Sustainability performance

- Established sustainable sourcing policy:
 - Sourcing directly from healthy stocks; e.g. anchoveta from Peru with seasonally adjusted quotas
 - Defined sourcing criteria include: no endangered species from IUCN Red list; no illegal, unreported or unregulated (IUU) fishing; no bottom trawling; no forced or child labor

Benefits

- Enables conservation of biodiversity
